

WILLIAM COX

QUALITY WITHOUT COMPROMISE

# Social Distancing Desk Protection Screen

William Cox are fabricators of a wide range of standard and bespoke desk partition panels.

Our access to a unique range of transparent colours, tints and frosted Perspex® means that we can provide many choices to companies looking to install office partitions and social distancing screens to protect their staff and customers while also complementing the office aesthetic.

**THESE SCREENS ARE EXPERTLY MADE TO STANDARD OR BESPOKE SIZES.**

## Features:

-  Flat packed for easy assemble
-  Available in a wide range of colours and finishes
-  Transparent screen allows for visibility across the office
-  Made from high impact plastics
-  Installation instructions and fixing brackets available on request
